General Information

Professionally overseen by one owner since new. Airframe & Engines enrolled on Smart Parts Plus, APU on MSP. Interior Partial Refurbishment December 2012. The stunning interior offers both an excellent working and dining environment.

Detailed Description

Airframe:

Total Time: 3029.30 hours
 Total Cycles: 1158
 (As of 20th April 2014)
 Enrolled on Smart Parts Plus

Engine Specs:

L/H Engine : GE CF34-3B
 Total Time : 3029.30
 Cycles : 1158 Cycles
 TBO : On Condition
 Program Coverage: Smart Parts Plus – Engines Supplemental

R/H Engine : GE CF34-3B
 Total Time : 3029.30
 Cycles : 1158 Cycles
 TBO : On Condition
 Program Coverage: Smart Parts Plus – Engines Supplemental

APU : GRT GTCP36-150 (CL)
 Hours : 3302
 Program Coverage: MSP

Avionics Options:

3D Map & Long Range Cruise
 3rd VHF Communication System
 Runway Awareness & Advisory System (RAS)
 Lightning Detection System (LDS)
 Datalink (including CMU, VDR, ACARS)
 Datalink Printing
 Enhanced Maps on MFD
 Cockpit Touch Screen Monitor and Printing

Exterior:

2007 overall matterhorn white base with gloss gold metallic and gloss blue parallel stripes painted across fuselage with single gloss gold stripe extending to engine and winglets

Interior:

12 seats (11 certified for take-off & landing) Partial refurbishment December 2012 by TAG Aviation – major cabin items removal, refinished (strip & lacquer) and refitted. Other minor cabin defects rectification

Galley:

One (1) 10-cup manual fill coffee maker
 One (1) hot water heater & dispenser
 Gasper cooled food storage area
 High temperature oven & controller
 One (1) soda can and one (1) wine storage compartment
 One (1) insulated stainless steel ice drawer
 One (1) mini-liquor storage drawer
 Dual GFI outlet
 Cold plate storage
 Trash compartment
 Sink
 Storage for crystal and china

Entertainment:

Passenger Notification System
 Six (6) mid/high range speakers
 Two (2) subwoofers
 Audio power amplifier
 One (1) multi-regional dual DVD/CD player
 Two plus one hand held remote control
 Airshow (including Worldwide coverage maps, relative location indicator, custom static logo, English audio cabin briefing and flight data information)
 Two (2) 18" flat screen LCD display
 Iridium telephone system
 Two (2) hand held microphones
 Four 115v 60Hz utility outlets

Additional Features:

LED Lighting including boarding lighting and wardrobe lighting
 Cabin Air Distribution MOD above floor
 Acid proof paint in lavatory and galley
 External service for lavatory overboard system
 Beacon (Anti-Collision) Light
 Pressurized potable water system
 Baggage compartment (227kg R/H & 181kg L/H) including coat rods for hanging garments and exterior door for ground access

Maintenance:

1000 hour check complied with 24th January 2013
 400 hour check complied with 23rd May 2012
 800 hour check complied with 22nd July 2011
 1600 hour check complied with 31st March 2010
 APU 500 & 1,000 hours checks complied with 07th February 2013
